HELIA

HELIA è un elegante paletto luminoso architettonico per esterni caratterizzato da un robusto palo cilindrico sormontato da un'ampia testa circolare leggermente bombata per un'illuminazione diffusa verso il basso. Costruito con una robusta struttura in alluminio e una finitura a polvere Tiger di alta qualità per una resistenza superiore agli agenti atmosferici e una lunga durata.

HELIA is an elegant architectural outdoor bollard light featuring a sturdy cylindrical post capped with a wide, gently domed circular head for expansive downward illumination. Built with a robust aluminum structure and a premium Tiger powder coating for superior weather resistance and durability.

Description

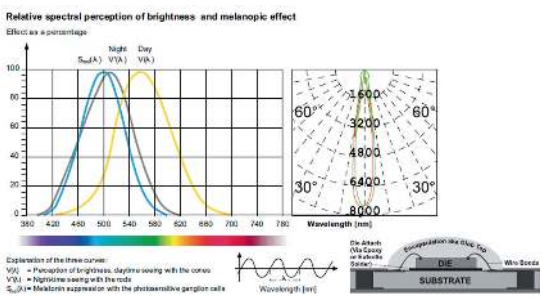

Housing - Robust aluminum structure with a premium Tiger powder coating for superior outdoor protection.
Diffuser - Clear recessed lens beneath the domed head for optimal downward light distribution.
Reflector - Precision beam control (120° / Elliptical light).
LED - Sustainable energy savings enabled by advanced LED technology (Efficiency: 100 Lm/W, UGR<19).
L80 / B10 @ 50,000 h (LM-80 / TM-21)
L70 / B15 @ 100,000 h (projected lifetime under typical conditions)
Failure rate: F10 @ 50,000 h, Ta -20°C ~ 50°C
Standards - Manufactured in accordance with tested as per PTPS IES 62722, Glowing Wire Test 850°
