LAVIA

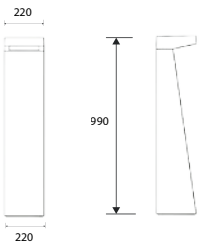

LAVIA è un paletto luminoso architettonico moderno caratterizzato da un corpo colonnare rastremato e da una finestra luminosa incassata integrata nella parte superiore, progettata per un'illuminazione elegante ed efficiente dei vialetti. Progettato per alte prestazioni, unisce una tecnologia LED avanzata a una struttura in alluminio con verniciatura a polvere Tiger per una durata superiore in esterni.

LAVIA is an architectural modern bollard light featuring a tapered columnar body and an integrated recessed light window at the top, designed for stylish and efficient pathway illumination. Engineered for high performance, it combines advanced LED technology with an aluminum structure with Tiger powder coating for superior outdoor durability.

Description

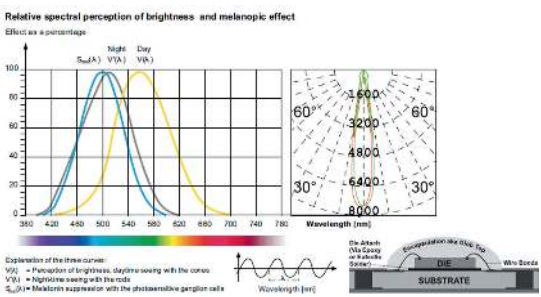

Housing - Robust aluminum structure featuring a premium Tiger powder coating designed to ensure superior outdoor durability and long-lasting protection against harsh environmental conditions.
Diffuser - High-transmittance diffuser for clean, glare-free downward distribution.
Reflector - Precision beam control (Asymmetric / Elliptical light).
LED - Sustainable energy savings enabled by advanced LED technology (Efficiency: 100 Lm/W, UGR<19).
L80 / B10 @ 50,000 h (LM-80 / TM-21)
L70 / B15 @ 100,000 h (projected lifetime under typical conditions)
Failure rate: F10 @ 50,000 h, Ta -20°C ~ 50°C
Standards - Manufactured in accordance with tested as per PTPS IES 62722, Glowing Wire Test 850°
