VESTA

VESTA è un paletto luminoso architettonico cilindrico caratterizzato da una copertura superiore a cupola e da un anello di emissione luminosa radiale a 360 gradi, progettato per un'illuminazione uniforme e confortevole di vialetti e aree verdi. Progettato per alte prestazioni, unisce una tecnologia LED avanzata a una resistente struttura in alluminio trattata con verniciatura a polvere Tiger.

VESTA is an architectural cylindrical bollard light featuring a hooded top cap and a 360-degree radial light emission ring, designed for uniform and comfortable omnidirectional pathway illumination. Built for high performance, it combines advanced LED technology with a durable aluminum construction treated with Tiger powder coating.

Description

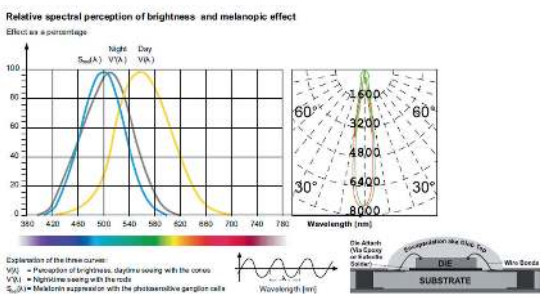

Housing - High-grade aluminum construction with Tiger powder spraying surface treatment, engineered for superior outdoor durability and corrosion resistance.
Diffuser - High-transmittance diffuser with a 360-degree radial ring for uniform omnidirectional distribution.
Reflector - Precision beam control (360°).
LED - Sustainable energy savings enabled by advanced LED technology (Efficiency: 100 Lm/W, UGR<19).
L80 / B10 @ 50,000 h (LM-80 / TM-21)
L70 / B15 @ 100,000 h (projected lifetime under typical conditions)
Failure rate: F10 @ 50,000 h, Ta -20°C ~ 50°C
Standards - Manufactured in accordance with tested as per PTPS IES 62722, Glowing Wire Test 850°
